

Interview Task – Secondary Physical Education

We look forward to meeting you at your interview. In advance of attending, we request that you complete the following two tasks:

1. Lesson Plan:

Plan a 50-minute practical PE lesson for a KS3 or KS4 lesson of your choice. Complete a lesson plan and add any additional resources to accompany your lesson plan. These documents should be emailed at least 24 hours in advance of the interview to Lou Riddoch l.riddoch@bathspa.ac.uk and Liz Durden-Myers e.durden-myers@bathspa.ac.uk (Academic Tutors for PE) You will be invited to discuss the lesson with the interviewers, sharing with us what has informed your planning. As a guide, this presentation should take no longer than 10 minutes.

2. Subject Knowledge Audit:

Complete the Subject Knowledge Audit and return it to us 24 hours in advance of the interview to allow us to consider your current strengths and areas for development. Please ensure you complete the notes column, identifying your specific experience. Inevitably, there will be a number of practical and theoretical areas that need addressing and this auditing process will give you the opportunity to monitor your developing subject knowledge throughout the course.

Audits to be returned to Lou Riddoch l.riddoch@bathspa.ac.uk and Liz Durden-Myers e.durden-myers@bathspa.ac.uk 24 hours in advance of the interview:
