

BSU ASSESSMENTS FLOWCHART

You submit an assessment to your tutor (details and submission deadline on your module page on Ultra)

Your tutor marks your assessment and provides provisional marks and feedback on your assessment on Ultra

Your tutor provides your marks and grades for your assessments to the central Assessments team, who adds these to your student record

Your course team considers and checks your marks and grades for your modules at Module Assessment Boards

Your marks and grades are ratified at a Progression and Award Board of the University

You are sent your official results email, following the Central Assessment Board meeting, on the official results publication date

You have 15 working days from the date that you receive your official results email to submit a Academic Appeal

You have 10 working days from the date that you receive your official results email to submit Retrospective Exceptional Circumstances
