LEVELS, CREDITS AND MODULES

LEVELS

Undergraduate teaching at Bath Spa University is delivered at the following levels. These levels reflect the year of study that you are taking.

Integrated Foundation year

Level F	Year 0
---------	--------

BA/BSc (Hons) degree

Level 4	Year 1
Level 5	Year 2
Level 6	Year 3

CREDITS

You are required to successfully complete 120 credits at each level in order to complete that level.

Credits are achieved by passing modules. All assessment items within a module must achieve the minimum pass mark of 40 in order for the module to be passed. If any assessment items within a module is failed (with no further attempts for reassessment available), the module will be failed. An opportunity will usually be given to retake the module (or an equivalent) in order to redeem the failed credits. Please review the [Progression rules](#) on page 9.

Modules will usually be worth 20 credits (or multiples thereof). The number of credits that a module is worth is indicated (at the end of the) by the module code; e.g. BMA4005-**20** = the module is worth 20 credits

Your award, degree and route (i.e. single, joint, major/minor) determines the combination of modules available to you.

Modules are classed in the following ways:

Core	Must be taken and passed by all students on a programme. A minimum of 40 credits at each of level 4 and 5 must be identified as core. Core modules will normally be delivered as one 20 credit module in each semester of the academic year
Required	Must be taken and passed by all students on a particular route or pathway
Required*	Modules within a defined list, from which a selection must be taken and passed by students on a particular route or pathway
Optional	Subject-specific and count towards the credit you must pass in order to be awarded a particular degree
Open	Options from a defined list of modules available across the University

FULL-TIME AND PART-TIME STUDENTS

If you are a full-time student, you should study a total of 120 credits per year, which would normally comprise studying 60 credits in each semester.

If you are a part-time student, you should study a minimum of 40 credits and a maximum of 80 credits per academic year. These modules can be taken in either semester. (Please note that you may be required to study 20 credits as a part-time student, alongside referred or deferred assessments. Please refer to the [Progression rules](#) for further details).

Classification

Your grades at Levels 5 and 6 contribute to your final award classification (Level 4 modules must be successfully completed, but are not included when calculating your final award).

Classification	Percentage ranges
First Class (1st)	70.00% and above
Upper Second Class (2:1)	60.00 - 69.99%
Lower Second Class (2:2)	50.00 - 59.99%
Third Class (3rd)	40.00 - 49.99%
Fail	39.99% and below

How we calculate your final award classification

BA or BSc Honours

If you are studying for either a Bachelors of Art (BA) or Bachelors of Science (BSc) degree, the final degree mark for all Honours degrees will be calculated from the best 100 credits at both Level 5 (Year 2) and Level 6 (Year 3). These marks will be weighted at 30% from level 5 and 70% from Level 6 (Year 3).

Foundation Degree

The final degree mark for a Foundation Degree will be calculated from the best 100 credits at Level 5 (Year 2).

Top-up Year

If you are completing a Top-up Year to obtain a Bachelor's degree with honours, your final award will be calculated from the best 100 credits at Level 6 (Year 3). Any credits achieved prior to the Top-up Year will not be included in the calculation of your degree mark.

How we calculate final awards using credits from prior learning/overseas study

Credit for prior learning at other institutions is regarded solely on a pass/fail basis and you will not be awarded a grade for prior learning.

What happens if you take a Level 5 (Year 2) overseas placement for half the year?

Your overall mark for Level 5 (Year 2) is the mean percentage of all 60 credits taken during the semester at Bath Spa University. Level 5 (Year 2) grades contribute to 30% of

your final degree.

What happens if you take a Level 5 (Year 2) overseas placement for the full year?

You will gain credit for the modules passed, but no marks. Your degree will be classified using the best 100 credits successfully completed at Level 6 (Year 3).

What happens if you take a Level 6 (Year 3) overseas placement for half the year?

Your overall mark for year 3 is the mean percentage of all 60 credits taken during the semester at Bath Spa University. Level 6 (Year 3) grades contribute to 70% of your final degree.

What happens if you take a Level 6 (Year 3) overseas placement for the full year?

You will gain credit for the modules passed, but no marks. Your degree will be classified using the best 100 credits taken at Level 5 (Year 2).

Exit Awards

If you withdraw from the University before completing your registered award, or you fail to pass with sufficient credit for your registered award, you may be eligible for an Exit Award. Please note that, if you are awarded a CertHE or DipHE, you will not be eligible to attend graduation.

You may be eligible for one of the following Exit Awards, provided you have met the requirements*:

Exit Award (please refer to the Qualifications Credit Framework)	Number of successfully completed credits
Certificate of Higher Education (CertHE)	Minimum of 120 credits at Level 4
Diploma of Higher Education (DipHE)	Minimum of 240 credits, of which a minimum of 100 credits must be at Level 5
Ordinary Degree	Minimum of 300 credits, of which a minimum of 60 credits must be at Level 6

*Direct-entry Level 6 students are not eligible for exit awards

Exit Awards for Foundation Degree candidates

If you choose to withdraw from the University before completing your full award or if you fail to successfully complete your studies, you may be eligible for the following award (provided you have met the award requirements): **Certificate of Higher Education (CertHE)**.

TIMETABLING

TEACHING TIMES

Teaching will normally be scheduled within the following times:

Monday - Thursday	09.00 to 19.00 hours
Friday	09.00 to 18.00 hours

MODULE CHOICES

You should be enrolled on a total of 120 credits-worth of modules across each academic year. You should have a total of 60 credits in Semester 1 and a total of 60 credits in Semester 2.

Core modules are compulsory and automatically selected for you. You are required to choose the remainder of your modules online.

Year of study	When to choose your modules
Year 1 (Level 4)	Normally prior to or during the first week of Semester 1
Years 2 and 3 (Levels 5 and 6)	Normally before the end of your current academic year

Incorrect module selection

If you think you have incorrectly selected a module choice online, please seek advice from your Subject Leaders, the Student Information Desk (SID) in Commons at Newton Park or email timetables@bathspa.ac.uk

Changing modules

It is normally only possible to change modules **within the first two weeks** of each semester. If a module is changed after the first two weeks of the year, the original module will be retained on your record and noted as a "fail".

Changing timetables

Where a module only offers one session of delivery in a week, e.g. a Lecture, the Timetabling Team will be unable to change this timeslot on your timetable.

Where a module offers more than one session of delivery in a week, for example;

multiple Seminar groups to accommodate a large cohort, you may request to change sessions, provided you have a valid reason.

Valid reasons include:

- Students with responsibilities as a carer or parent;
- Students with recurring medical appointments;
- Students with certain religious beliefs;
- Students with a commitment to an employer already entered into before timetables are published and which cannot be easily altered (evidence must be provided).

Upon providing a valid reason, the Timetabling Team will only move you if there is room in the timetabled activity that you wish to move to and in the case that that any move does not then cause a clash with other activities on your timetable.

Transfer of Award

If you are considering changing your award, please follow the steps below:

1. Discuss your plans with your personal tutor, current course director or subject leaders;
2. Complete the 'Transfer of Award' form, which will require the agreement and signature of your current and proposed course director. You can download a [Transfer of Award](#) form from the Student Services website;
3. Return your "Transfer of Award" form to the Student Information Desk (SID) or by email to mycourse@bathspa.ac.uk

ASSESSMENTS

Completing assessments ensures that students are attaining the learning outcomes of their modules and overall aims of their award.

Details of module assessments are published in the [Guides to Modules](#) and in individual module documentation (the module descriptor, the module handbook and Minerva).

Types of Assessment

Types of assessments may include: coursework (such as an essay); composition; seminar presentation; or seminar folder and practical work.

Your module may include examinations, such as an unseen written paper, an open paper, a documentary, a performance or an exhibition.

Assessment may be 'formative' or 'summative'. Feedback from formative assessment will help you prepare for summative assessment, but will not count towards the credits for your module. Marks for summative assessments count towards the credits for your module. Summative assessment weightings will add up to 100% (e.g. 001 Essay - 2,000 words: 60%; Group presentation - 15 minutes: 40%).

Where practical, all work submitted for assessment is anonymous unless the nature of the work makes this impossible; for example, a performance piece.

Coursework and examinations may be subject to internal and external moderation.

Assessment Submission Guidelines:

You must:

- Meet all coursework deadlines;
- Hand in coursework according to the instructions that you have received;
- Submit an electronic version of your coursework via Minerva using the TurnitinUK process for text-based submissions (if you are having difficulties submitting your coursework via Minerva, send an electronic version by email to your module tutor prior to the submission deadline and report the issue to IT Services);
- Keep an electronic copy or photocopy of all submitted work. Work is sometimes sent to external examiners for scrutiny, with the result that you may not receive the original versions back in time for revision purposes;
- Back up your work on a hard drive.

If you miss a deadline

If you miss a coursework deadline (unless you have arranged an approved extension), the following penalties will apply:

- Work handed in after the deadline, but before the cut-off date (usually one week later), will be given a maximum score of 40 (pass mark);
- Work handed in after the cut-off date will be marked zero (fail).

How to arrange an extension

Contact your module leader to request an extension in advance of the coursework deadline. You should provide a valid reason for requesting an extension; e.g. illness, and you may be required to support your claim with evidence.

The normal extension period is a week, however, this period can be extended at a module leader's discretion.

If an extension is agreed, your module leader will agree a new submission date with you and you should submit the outstanding work by this new deadline.

Module pass mark

The pass mark for all modules is 40.

All assessment items within a module must achieve a minimum mark of 40 before the module can be successfully completed.

If you fail an assessment

If you fail an assessment item, this cannot be compensated by achieving a higher mark on another assessment item within the module. Successfully passing one module cannot compensate for failure in another module.

If you fail an assessment item, the mark for any assessment item that you pass following reassessment will be capped at 40.

If you fail the reassessment attempt, the module will then be deemed failed. You will usually be given the opportunity to retake the module (or an equivalent) with attendance to redeem the failed credit.

Publication of results

All marks are provisional until confirmed following the completion of the University Assessment Board process. Results will be available on the scheduled publication dates as listed on the [Assessments](#) page on the Hub. Your results will be emailed to your Bath Spa University email address on the scheduled publication date and will include a link to your transcript, showing all confirmed marks to date.

Academic Judgement

Academic judgement is defined as a judgement that is made about a matter where only the opinion of an academic expert will suffice.

If you are uncertain why you have received a particular outcome or mark, you should

contact your module tutor for further feedback and clarification.

The marking, assessing, and grading of a piece of work is an academic judgement, and as such it is not possible for you to make an appeal against this judgement on the grounds that you simply disagree with it. This is because robust mechanisms exist within the University to ensure that standards are fair and appropriate. Further details of what constitutes a valid Appeal are available in the [Appeals and Complaints](#) section of this guidance.

Marking is conducted carefully and is subject to internal moderation and samples are checked by External Examiners, who oversee the assessment process. Further information about the assessment of students at Bath Spa University can be found in the [Assessment Policy](#).

Attendance Matters

Attending lectures and seminars is not optional and attendance is closely monitored.

For further details about how to 'tap-in' to register your attendance and about the [Attendance Matters](#) policy, please visit the Hub.

EXAMINATIONS

Examinations

Some courses include summative assessments which take the form of examinations. Formal examinations usually take place at the Newton Park campus.

If you notice any clashes or errors in your examination timetable, please report these to exams@bathspa.ac.uk immediately.

On the day of your examination

- Bring your Student ID with you to your examination, otherwise you may not be allowed to sit the examination;
- Aim to be at the examination room at least 20 minutes before the start time of your examination;
- Switch your mobile phone off;
- Remove your smart watch;
- Leave all bags, papers and unauthorised materials in the area instructed by the invigilator;
- You will be admitted to the examination room 10 minutes before the examination starts;
- During this time, you will normally be permitted to read the questions on the examination paper, but you will not be permitted to start writing until instructed to do so by an invigilator;
- Do not use any course texts, printed or electronic information of any kind during the exam, unless the examination paper permits this. Where calculators (you will need to provide your own) or other electronic equipment is required, you must ensure they do not contain or enable access to inappropriate information;
- If English is not your first language, you may be able to take a printed (not electronic) foreign-language dictionary into your exam. We suggest that you consult with your tutor in advance regarding bringing an appropriate dictionary into the examination.

Special arrangements for examinations

Special arrangements for examinations are made for students who have disabilities, specific learning difficulties, mental health conditions, medical or personal issues.

Requests for special arrangements must be made through [Student Wellbeing](#). If you wish to discuss special examination or assessment arrangements, please contact the [Student Wellbeing](#) team. You should note that, to ensure fairness to all candidates, you will be asked to provide supporting documentation to confirm why special

arrangements are required.

The deadline for all requests for special arrangements will be four weeks prior to the first exam. No late requests will be accepted.

Examples of special examination arrangements include:

- Extra time added to the length of your exam;
- Rest breaks, during which your allotted examination time is paused;
- Being in a room on your own or with fewer students;
- Use of a computer (including computers with voice recognition software);
- Provision of a support worker who may act as a scribe and/or reader;
- Exam papers in large print or printed on coloured paper;
- Being allowed to bring in necessary items such as coloured overlays, food and drink, digital non-ticking clock, medical equipment;
- Provision of an ergonomic chair

All students with special exam arrangements will be emailed confirmation at least two weeks before the exam period. What is included in this email is definitive; if the email does not explicitly state that (for instance) you will be given use of a computer, then please do not assume that this will be provided. If you believe that you are entitled to something different, please contact the Exams Office by emailing exams@bathspa.ac.uk immediately.

MITIGATING CIRCUMSTANCES

Mitigating circumstances are unforeseen or unpreventable circumstances that significantly affect your performance in an assessment. Mitigating circumstances are based on a 'Fit to Sit/Submit' principle. When you submit an assessment or sit an examination, then you are declaring that you are fit to do so. If you submit coursework or sit an examination, you cannot later claim that your performance was affected by mitigating circumstances.

If you are unwell or have personal problems that are affecting your academic performance, you should consider whether a short extension will help you to complete the assessment and you should speak with your module leader to request an extension to the submission deadline. If, however, you feel that you are eligible to submit mitigating circumstances to defer your coursework to the next assessment point in the academic year, you should complete the Mitigating Circumstances form, which is available on the [Mitigating Circumstances Policy](#) page.

Mitigating circumstances claims should be submitted as close as possible to the date of the affected assessment. Claims should not be submitted so far in advance that the impact of the mitigating circumstances cannot be assessed.

You may apply for mitigating circumstances for more than one module if the same circumstances have affected more than one assessment. The claim form must clearly explain the details of the circumstances, which assessments or modules have been affected, and how these circumstances have affected your performance.

Mitigating circumstances do not excuse you from completing assessments. You are still required to demonstrate that you can achieve the required learning outcomes to pass each module and can meet the programme requirements for progression or award.

All mitigating circumstances claims will need to be supported by independent evidence. For guidance on examples of mitigating circumstances and the types of evidence that are accepted, please consult the [Mitigating Circumstances Policy](#) page.

Please note that Mitigating Circumstances claims usually only defer your assessment deadline(s) to the next assessment point. If you feel that you have valid grounds for a Mitigating Circumstances claim to defer your assessment deadline(s) further than the next assessment point, you will be required to submit a new Mitigating Circumstances

claim and up-to-date evidence by the deadline for the next assessment point.

All claims for mitigating circumstances are treated as confidential.

Claims for mitigating circumstances will initially be considered by Student and Registry Services. Incomplete claims (e.g. those without a completed claim form or appropriate supporting evidence) will not be considered.

Where the claim is clearly supported with appropriate evidence, a provisional decision will be made to approve the claim. You'll be notified of the outcome of this initial consideration by email to your University email address.

The Mitigating Circumstances Panel will meet regularly during the academic year to ratify provisional decisions and discuss more complex claims. Membership of the Mitigating Circumstances Panel will be appropriately representative, qualified and experienced, and gender balanced as far as possible.

The Panel may recommend that you are referred to [Student Wellbeing](#). You may also be advised to consider a period of intercalation if a substantial amount of teaching and assessment has been or is likely to be missed.

Decisions of the Mitigating Circumstances Panel will be notified to you by email to your University email address.

Retrospective Mitigating Circumstances

If you wish to submit a retrospective or late Mitigating Circumstances claim, please submit this to mycourse@bathspa.ac.uk within 15 working days of the date of the receipt of your official University results email, along with a clear explanation as to why you were unable to submit a claim by the original deadline and relevant third party evidence.

ACADEMIC MISCONDUCT

Bath Spa University is clear that all students will be judged on their own ability and that all assessment work submitted must be original. Academic Misconduct is defined as any activity used by a student which provides them with an unfair academic advantage over others. Academic Misconduct is sometimes called 'unfair practice' or 'cheating'. Any academic work submitted which suggests that there is an intention to deceive in any way may be regarded as Academic Misconduct.

Academic Misconduct is different from Poor Academic Practice, which the University defines as a minor breach of standard academic conventions, such as poorly attributed or incorrect referencing, or limited over-reliance on reference material, usually resulting from a misunderstanding or lack of confidence in conventions and where there is clearly no intention to deceive. Poor academic practice will be dealt with as part of the marking and feedback process as it represents a failure to follow assessment and marking criteria.

You are expected to present your own words, your own analysis and your own argument. It is acceptable to use the work of others to support arguments and analysis, and tutors will be able to inform you as to what constitutes good practice and to give help with subjects such as referencing and the provision of footnotes. If you are in any doubt about what constitutes good practice rather than plagiarism, you should consult your tutors for advice.

For details of Bath Spa University's Academic Misconduct policy, examples of Academic Misconduct and confirmation of the range of penalties for Academic Misconduct, please consult the [Academic Misconduct policy](#).

APPEALS AND COMPLAINTS

Every student registered at Bath Spa University and at our associate institutions has the right to appeal or make a formal complaint.

What's the difference between an appeal and a complaint?

The appeals procedure concerns assessment, exams and results. The complaints procedure is broader, covering any aspect of the student experience at Bath Spa University and our partner institutions.

Can I get help to make an appeal or complaint?

You can approach a [Students' Union](#) representative or your personal tutor.

APPEALS

What are accepted grounds for appeal?

Every student has the right to appeal, but you may only appeal if you feel you meet one or more of these accepted grounds:

- That there is evidence of an administrative error in the assessment process, to the extent that the assessment outcome would likely have been different had the error not occurred;
- That there is evidence that the assessment of the programme of study was not carried out in accordance with the relevant regulations or published programme material;
- That there is evidence of demonstrable prejudice or bias against the student by one or more examiners.

No other grounds for appeal (other than those listed above) are accepted, including:

- Academic judgement - this refers to judgement that is made about a matter where only the opinion of an academic expert will suffice. For example, a judgment about assessment, assessment criteria, a degree classification, fitness to practise, research methodology or course content/outcomes. (This means that a mark or outcome cannot be challenged on the grounds that, in the opinion of the student, it is not what the work deserved). ;
- Marginal failure to attain a higher class of degree;
- Admissions decisions - please refer to the Admissions Appeals Policy;
- The delivery of teaching or other services provided by the University - please refer to the Complaints Procedure;

- A failure on the student's part to submit work or mitigating circumstances - please refer to the Fit to Sit principle and Mitigating Circumstances Policy for Taught Programmes and the Research Degrees Handbook for Research Programmes

Stage One (Formal Appeal)

If you believe that you have acceptable grounds for appeal, please submit a completed Appeals Claim Form within 15 working days from the date of being notified of the decision against which you wish to appeal by email to:

The Secretary to the Appeals Panel
appeals@bathspa.ac.uk

Stage Two (Review)

If you wish to request a review of the decision of one of the following University Panels, please submit this request to universitysecretarysoffice@bathspa.ac.uk within 10 working days from the date of written notification of the Panel outcome:

Appeals Panel
Mitigating Circumstances Panel
Academic Misconduct Panel

For further details regarding Bath Spa University's Appeals procedures, please consult the [Appeals Policy](#).

COMPLAINTS

If you wish to submit a complaint, please complete the online [Student Complaints Form](#), making your complaint as detailed and precise as possible, clearly explaining the nature of the complaint, the service and/or persons involved, and specifying the desired outcome. All students must read the full Complaints Procedure document before submitting a complaint. The Procedure document contains key information such as what complaints can and cannot be considered under the procedure, who can submit a complaint, and what happens at each stage of the procedure.

Complaints must be made within three months from the date of the incident or sequence of events giving rise to the complaint.

Please consult the [Complaints](#) section of the website for further details.

INTERCALATION AND WITHDRAWAL FROM STUDIES

Intercalation - taking a break from your studies

Intercalation is a formal way of taking a break from your studies and requests for intercalation will be considered for medical reasons or for other extenuating circumstances which prevent you from engaging with your course for an extended period of time. Intercalation may also be approved to enable students to take advantage of opportunities related to your studies, such as internships or placements.

We would advise that you consult with either your course team or your personal tutor about intercalating your studies, before formally requesting to do so. If you wish to make a request for intercalation, you will need to do so in writing by emailing mycourse@bathspa.ac.uk or by handing in the request to the Student Information Desk (SID) in the Commons building at Newton Park.

Your request should include:

- Your name and student number;
- Course title;
- Detailed explanation why it would be beneficial for you to take a break from your studies;
- Dates that you wish to stop and restart your studies;
- Third party supporting evidence, such as a hospital letter.

If you are unsure of what will constitute suitable third party evidence for your situation, please contact us and we can advise you.

We would also recommend you speak to the Finance Office in order to understand how intercalation may affect your fee liability and finances. Their contact details and further information can be found on their webpages: [Student Finance](#)

Withdrawing from your course

If you are considering withdrawing from your course, we recommend that you discuss this with either the course team or your personal tutor before formally requesting to be withdrawn. If relevant, we also recommend that you contact [Student Wellbeing](#) in order to establish whether there is anything that the University can do to support and help you with your reasons for wishing to withdraw.

If you have discussed your decision with your course team or personal tutor and still decide to leave, please submit a formal notification of withdrawal by emailing
