

Interview Task for Secondary Music

Aim

Some information about your subject knowledge can be deduced from your degree title, the modules you studied and from other information on your application form. This task aims to provide the university with additional information about your subject knowledge, curriculum experience and confidence in leading singing.

The Task

Applicants for Secondary Music are required to prepare an appropriate song (preferably unaccompanied) to bring with them to the interview to demonstrate skills in leading classroom singing at Key Stage 3. This will be used to determine recommendations for further preparation before the course begins and for support on the course.
