

# Programme Change Form

- The information below outlines the approved changes to modules and programmes for 2021-22 in the context of Covid-19 and the move to blended learning.
- This form outlines any changes that have been made to your Definitive Programme Document (DPD) (or Student Handbook) for your programme and accordingly acts as a supplement to the DPD for 2021-22.
- The DPD has not been updated to reflect these changes.
- **Note that modes of delivery may revert back to the original DPD (or Student Handbook) should social distancing measures be lifted.**
- **If changes have been made to intended learning outcomes and assessments, these will not change further once a module has started.**
- **If a module or entire programme reverts back to the original DPD you will be informed in advance of the start of a semester/trimester.**
