

This checklist outlines the steps you should complete prior to commencing your studies at Bath Spa. Doing so allows us to work with you and explore any arrangements that might be helpful to you accessing your studies and university life.

**Complete [this questionnaire](#)**, think about the support you currently receive, such as that at college or sixth form, as well as what you might find useful at university.

**Send copies of any supporting evidence** to [studentwellbeing@bathspa.ac.uk](mailto:studentwellbeing@bathspa.ac.uk). Examples of supporting evidence include diagnostic reports, GP/therapist letters, Education Health and Care Plans (EHCP), individual learning plans, such as a Form 8.

**Apply for DSA (Disabled Students' Allowance)**. If you are a **Home UK student** you can apply for DSA once Student Finance applications open. For further information please visit the [Student Finance web pages](#). This [video](#) explains the process.

**Register for one of our [DSA application workshops](#)** if you have any questions about the DSA application process, or would like assistance with completing your application.

**Complete an online [Quickscan assessment](#)** to explore if you have indicators of a Specific Learning Difference, such as Dyslexia or Dyspraxia. It's free for applicants and students of Bath Spa University and takes 15-20 minutes!

**Inform the University of any disability-related accommodation requirements.** You may be asked to provide evidence of your disability. Our [access arrangements web page](#) provides further information.

**Consider participating in any transition events or activities.** You can find information on the [Student Wellbeing Services web pages](#).

If you're not sure what to do at any stage, please contact Student Wellbeing Services at [studentwellbeing@bathspa.ac.uk](mailto:studentwellbeing@bathspa.ac.uk).
